

Individual functionality demos needed from KAON Theme

1

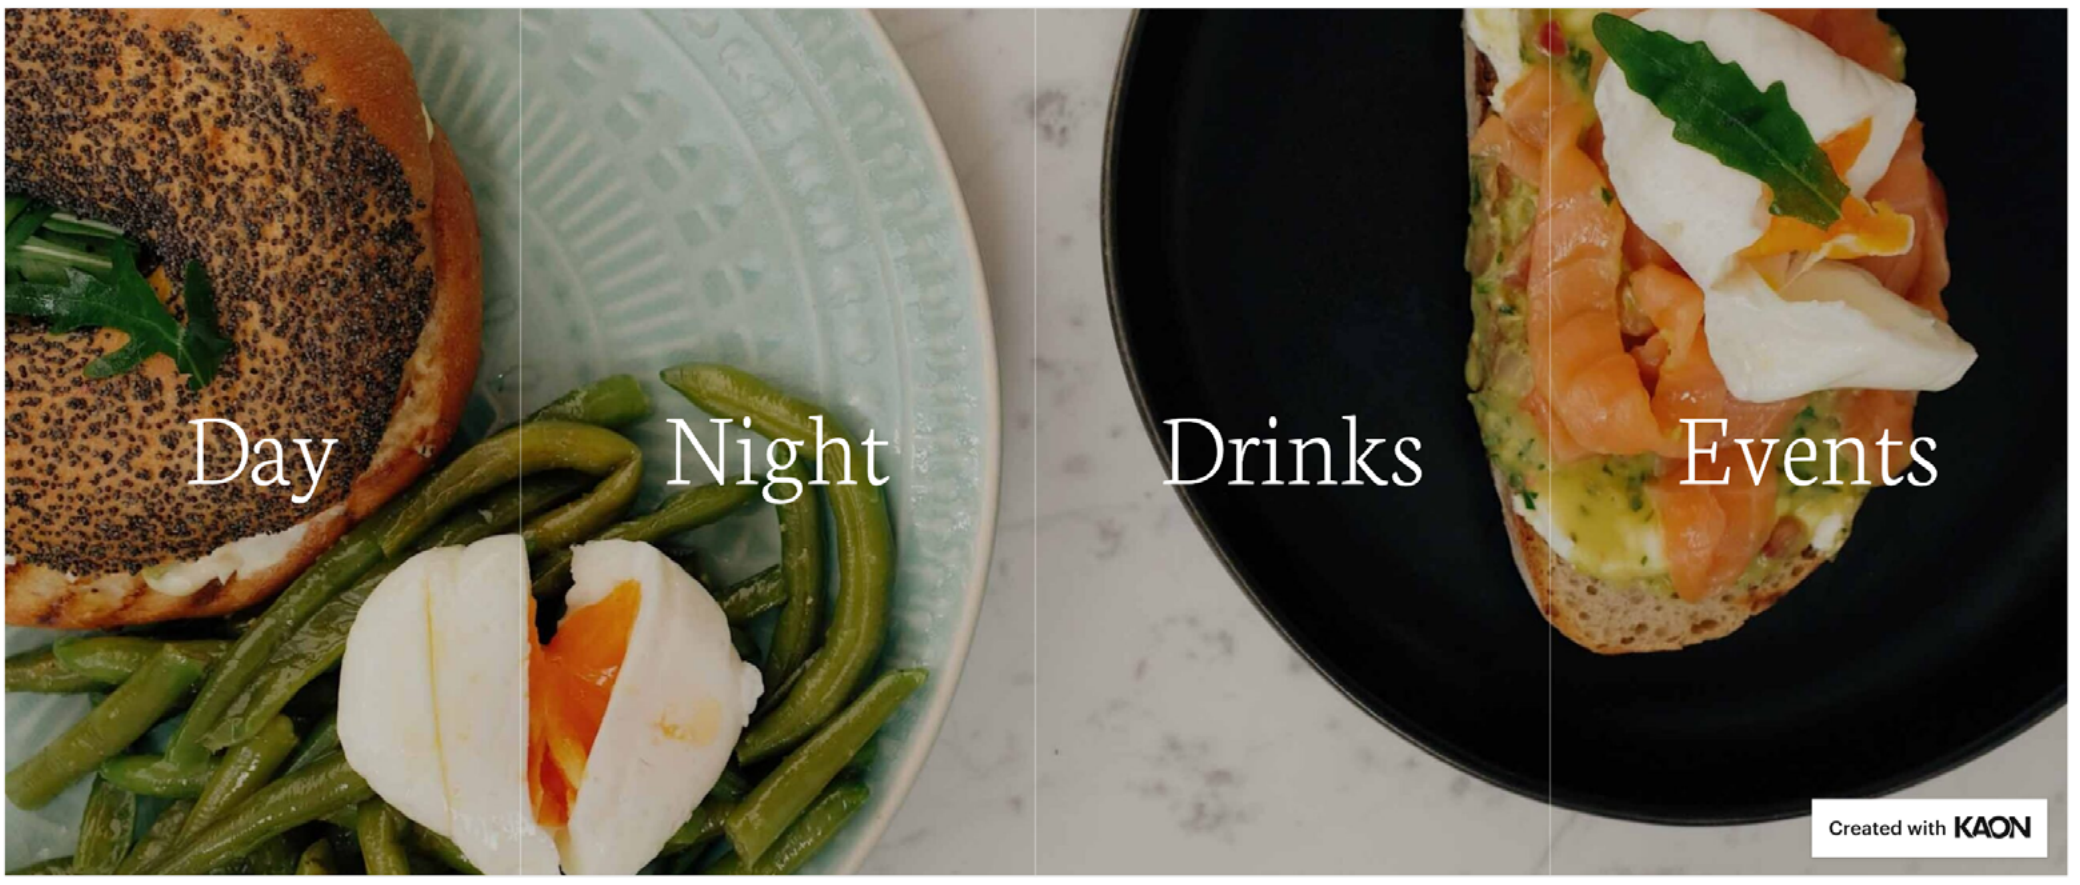

Minimalist Navigation to look like:

<https://neuronthemes.com/kaon/totoro/navigation>

2

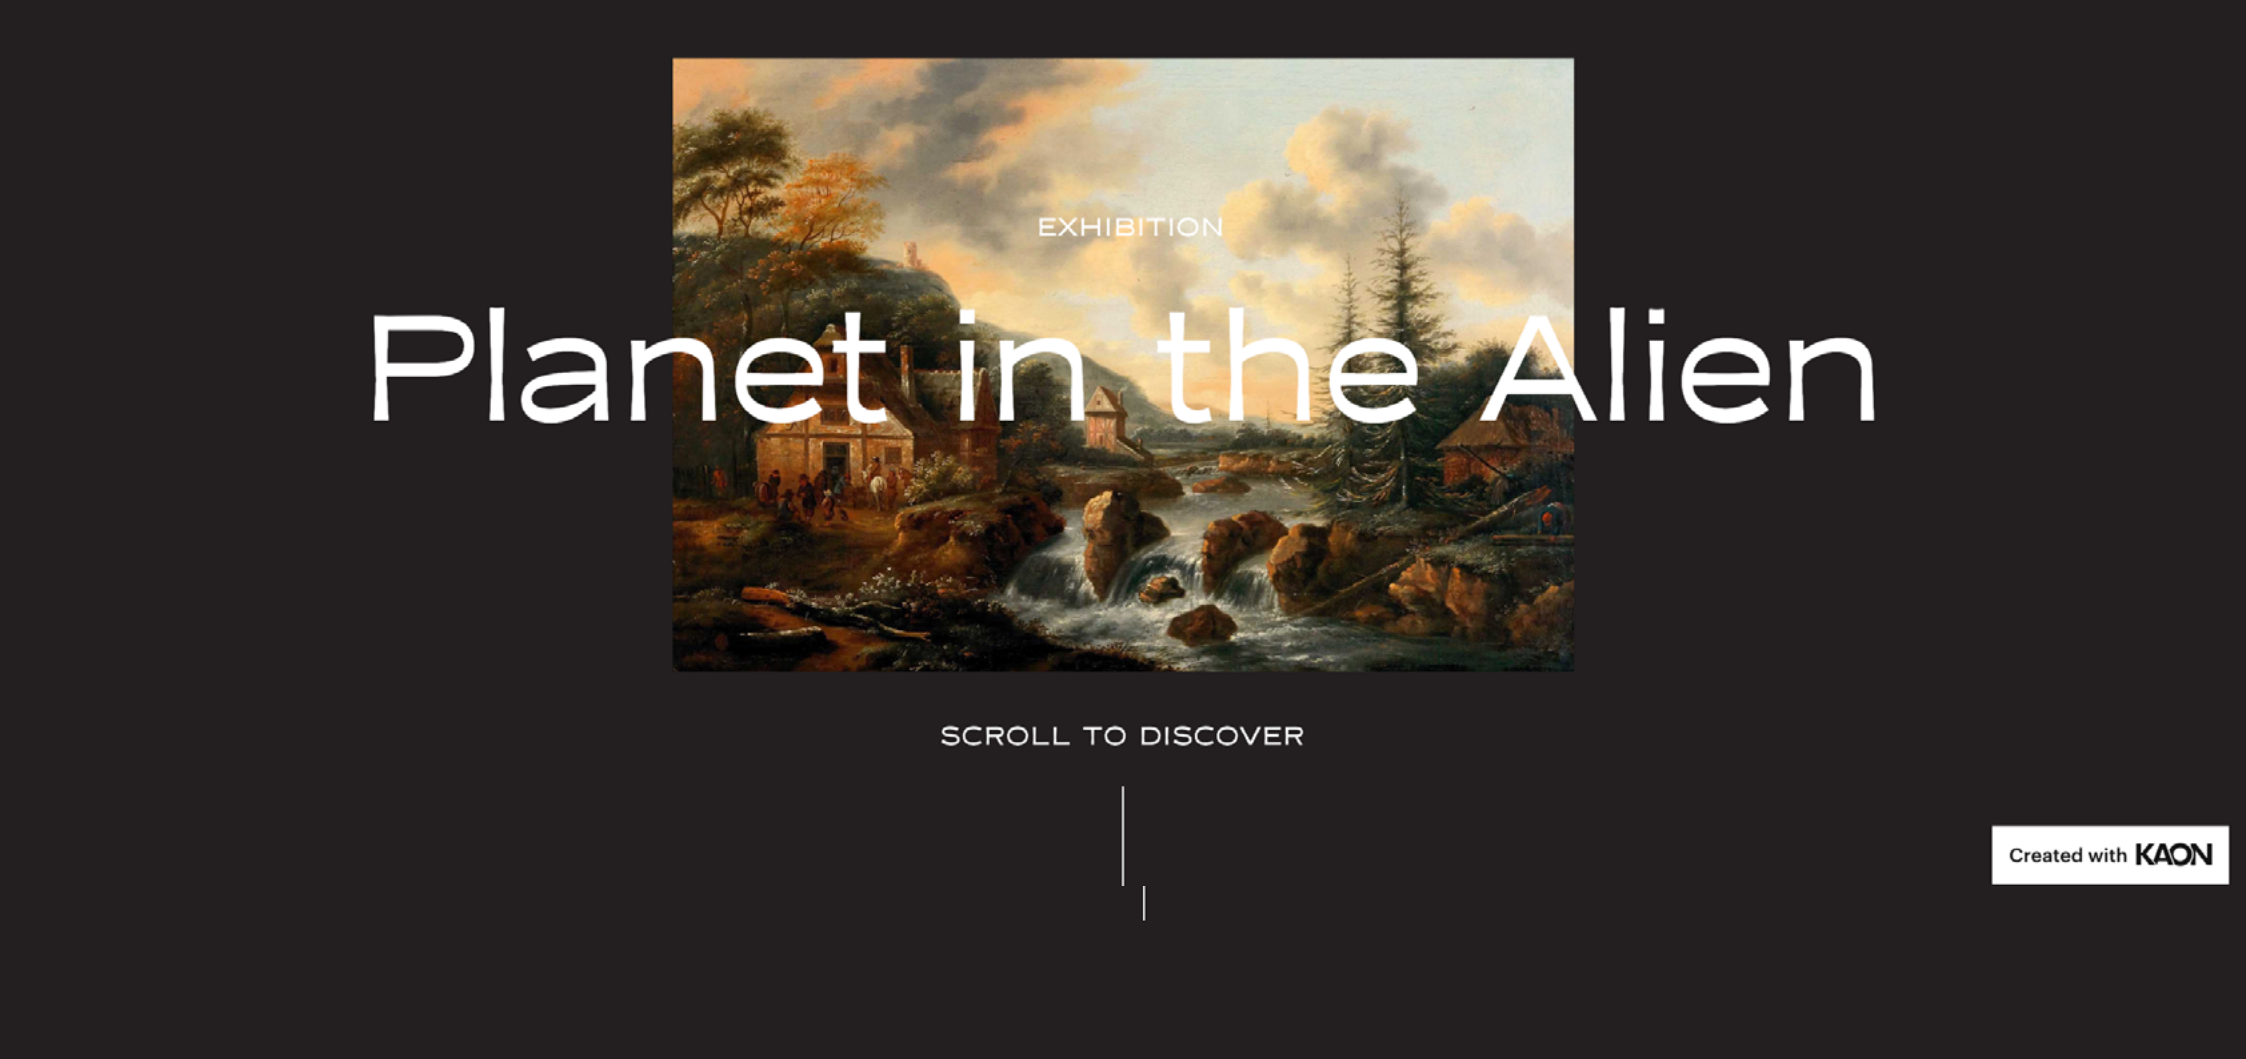

Explore colours page to look like: <https://neuronthemes.com/kaon/elouise-restaurant/landing-page> including left and right side bar functionality where dates and social icons currently sit

3

Individual portfolio pages for colours to look like:

<https://neuronthemes.com/kaon/kleitos/portfolio/planet-in-the-alien/> landing page including animated elements, and scroll down animation

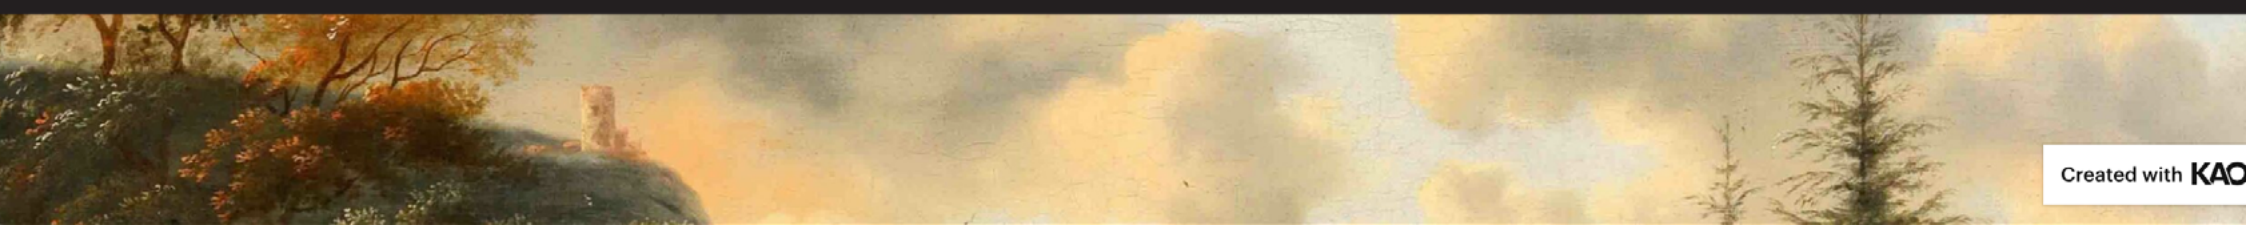

To talk about paintings is not only difficult but perhaps pointless too. You can only express in words what words are capable of expressing -- what language can communicate. Painting has nothing to do with that.

LOREM IPSUM

Moonlight is sculpture

Lorem ipsum dolor sit amet, consectetur adipiscing elit. Nullam varius venenatis rutrum. Ut at ipsum at lorem vulputate condimentum. Pellentesque imperdiet hendrerit mi at imperdiet. Curabitur egestas cursus pellentesque. Integer ut facilisis est. Fusce eu elit nisi. Integer in nunc magna. Venenatis rutrum. Ut at ipsum at lorem vulputate.

4

Footer design, including email subscription form from
